Continued from Page 3 ...

Final round, number 23, of the 1989 Championship was Ecurie Royal Oak MC's event at Trentham Gardens, where the DB3 Special was entered twice! Derek Carless/Pete Forrester found the going smooth compared to forestry stages and finished an excellent third overall, whilst the same car was in eighth place crewed by Dave Brooks/Paul Dyer. The latter crew secured the championship title with this result, up until then there was a mathematical chance of being caught!

ANWCC FOREST RALLY CHAMPIONSHIP

Round 8 of the championship was the Meirion Stages, run by Harlech & DMC in Coed-y-Brenin, and this year using a little tarmac at the Ranges Motorsport Centre. Best ANWCC crew was Derek Carless/Pete Forrester in third place in the DB3 Special. John Lay/Tim Hobbs finished twelfth overall, fourth in Class C, in their Richard Evans' Escort, whilst Paul Smith/John Hubberstey appeared in a Sunbeam 1600 and finished fourteenth overall, second in Class B. Third in Class A went to Mike Jones/John Jones in their newly-acquired ex-works Talbot Samba Rallye, still run under the TNT banner. Also gaining a good result were Stephen and Dinah Pugh, 24th. in the Nissan 160J.

North Wales CC's Renault Premier Cambrian Stages was a dual-permit event, and all the ANWCC contenders opted for the Restricted section. John Hardman was best ANWCC with seventh place overall, second in Class D, and John Lay/Tim Hobbs made the top ten. Best in Class A were Malcolm Mawdsley/Richard Brookes in 24th. position, third in Class.

Welsh Border CC's Milestone Stages was Round 10, with stages in Llandegla and Aberhirnant, the former rough and the latter incredibly smooth! Dave Roberts finished best ANWCC contender (although registered for tarmac stages) in 19th. place overall. John Lay/Tim Hobbs were 21st. to keep up the pressure on Paul Smith/John Hubberstey who retired. Pete P'Dougherty made 24th., fourth in class B, in his Sunbeam, whilst second in Class A went to Malcolm Mawdsley/Richard Brookes, making sure of a championship class win.

The final round took competitors to the Lake District, and Clitheroe & DMC's Grizedale Stages. Paul Smith/John Hubberstey had to finish, and did so in 19th. place in an Escort, just four places ahead of John Lay/Tim Hobbs who could have taken the title if Smith/Hubberstey faltered in any way. After leading for most of the year, it became a rather close thing for Smith/Hubberstey to win the championship, but they did so and must have used more cars in one season than anyone has ever done before!
