

**Friday 28th September 2018**

The Forest of Dean Motor Club Ltd.

## Winner Garage SKODA Wyedean Stages Rally

### Press Release 18.30hrs

It is with huge regret that after a great effort on the clubs part, that Forest of Dean Motor Club has no choice but to cancel the 2018 Winner Garage SKODA Wyedean Stages Rally. The reasons for the cancellation are many, far too many to be overcome in the short time left before the event was due to run.

We can assure you this decision was not taken lightly, but rather than run an event which would have been below our usual high standard, the decision has been made to cancel the 2018 event.

We apologise unreservedly to the many competitors who have already entered for this year and for any inconvenience we may have caused. Full refunds will be made as soon as possible to those competitors who have paid their entry fee. The club would also like to apologise to the championship organisers, competitors and marshals for the situation we and they now find ourselves in.

Bob Morgan  
Chairman  
FODMC
